

PRT Post-Observation Reflection Form

Name:	Course Name:
Date of Observation:	PRT Observer:

Instructions:

- Reflection encourages self-evaluation and growth to improve student engagement and the learning environment instructors create.
 - Following the observation session, the course instructor should reflect and answer the questions below.
- Please return the completed form to your PRT Observer.

1. What instructional strengths did you demonstrate in this session?

2. If you had the opportunity to conduct this session again, what changes (if any) would you make?

3. What feedback and/or support would you like to have as a result of this peer observation?
