Dear Dr. Orendain,

I refer to your request to reproduce Figure 3 from the following article:

*Left atrial appendage closure for stroke prevention in nonvalvular atrial fibrillation: rationale, devices in clinical development and insights into implantation techniques*

Martin W. Bergmann1 *, MD, PhD, FESC; Ulf Landmesser2 , MD, FESC

I can inform you that we gladly grant you permission with the understanding that suitable acknowledgement to the source is made with the following: "Reprinted from EuroIntervention Vol / number, Author(s), Title of article Pages No., Copyright (Year), with permission from Europa Digital & Publishing." The published paper from which material is reproduced must also be cited in the corresponding reference list.

Best regards,

Sylvie Lhoste
