It also elects the Student Loan Trustees, the representatives on the Athletic Council and on the Development Fund Board, each of these groups charged with certain definite responsibilities. The Association Council is a representative body made up of (1) one member elected by each active A. & M. Club, (2) one member from each graduated class of the College, (3) one member elected from each of the 31 state senatorial districts, (4) ten members at-large elected at the annual meeting, (5) ex officio members, all past Association Presidents, the officers of the senior class on the campus and the president of the junior class on the campus. The Council will meet twice annually.
