Congratulations! Your fellow club members have selected you to lead them through a successful 4-H year as a Health and Safety Officer. ### Roll Call Ideas

Consumers are constantly being warned about the dangers of smoking and driving while under the influence of alcohol and drugs, for example. Instead of concentrating on the negative, request that members of your club respond positively to roll call questions on topics like these:

**Health**
- Name a favorite fruit.
- What is your favorite meal?
- Name a food that is a good source of Vitamin C.
- Name a healthful snack food.
- How many times do you brush your teeth each day?
- How many times a week do you exercise?
- What kind of exercise do you do?

**Safety**
- Make a safety suggestion.
- Describe a recent accident.
- Give a safety slogan.

**Reminder:**

Encourage each member to plan and complete a family health activity.
