1. p. iii: Remove the indentation from the first paragraph for format consistency.
2. p. vi: Remove the indentation from the first paragraph for format consistency.
3. p. v: Type size of the dedication needs to match text (smaller).
4. p. 22: Double space the nomenclature above equation (2.6), to match page 21.
5. p. ii: Delete the “Dr.” in front of the committee names.
6. p. 38: Insert a period at the end of the 15th line of text down.
7. Be consistent with the use of boldface in the page headings. You have not used bold in the preliminary pages and vita, but you have used bold for chapter titles. Either way is okay.

Almost Done! 😊
