Zerle L. Carpenter, Director • College Station, Texas

Baby learns from you.

You teach babies to talk
as you take care
of them

If you talk
to baby
he will learn to make sounds

When baby coos
and blows bubbles
he is learning
to talk

You help if you make
soft sounds back at him

When baby talks to you

make the
sounds he
makes

Talk back
to him

W:

Call your boy
by name

Call your baby
by name

Babies learn
