 171 Reed Street, PO Box 1080
 Geneva, NY 14456

To whom it may concern:

I am in the process of creating the Charles Blaschke Education Technology Archive which will consist of the collected business papers of Mr. Charles Blaschke, the President and Founder of Education Turnkey Systems, Inc. (Turnkey). I would like your permission to include the following previously published material with this Charles Blaschke Education Technology Archive:

Item #	Item Title	Publication Title	Author(s)	Volume	Issue	Year	Pages
MS-2	The Special Ed Market for Computer Products	Educational Dealer	Charles Blaschke	8	1	1983	Cover, contents, and pp. 18-20

Mr. Blaschke’s papers will provide research scholars with historical documentation on the evolution of Federal support for K-12 education (esp. Title I funding) and Federal education technology policy. The papers will be made available on Texas A&M University Libraries’ OAKTrust digital repository in an open access special collection managed by the Mosbacher Institute for Trade, Economics, and Public Policy. The Charles Blaschke Education Technology Archive will be accessible by anybody with web access at <http://oaktrust.library.tamu.edu/handle/1969.1/158361>.

If you do not control the copyright on all of the above mentioned material, I would appreciate any contact information you can give me regarding the proper rights holder(s), including current address(es). Otherwise, your permission confirms that you hold the right to grant the permission requested here.

Permission includes nonexclusive world rights in all languages to use the material and will not limit any future publications—including future editions and revisions—by you or others authorized by you.

I would greatly appreciate your consent to my request. If you require any additional information, please do not hesitate to contact me. I can be reached at:
