

## TABLE OF CONTENTS

|   |     |
|---|-----|
| LARGE HIGH PRESSURE CENTRIFUGAL COMPRESSORS FOR OXYGEN SERVICE .....  | 1   |
| <i>Kenneth W. Geiser, Manager, Compression Equipment Division, American Demag Corporation, New York, New York</i>   |     |
| DISTORTION OF SPEED CHANGER HOUSINGS AND RESULTING GEAR FAILURES .....  | 7   |
| <i>Fred L. VanLaningham, Senior Staff Engineer, Systems and Machinery Management, Union Carbide Corporation, Chemicals &amp; Plastics, South Charleston, West Virginia</i>  |     |
| INSTALLATION OF LARGE ROTATING EQUIPMENT SYSTEMS — A CONTRACTOR'S COMMENTS .....  | 15  |
| <i>Dr. John R. Massey, Senior Consultant, Mechanical Engineering, McDermott Hudson Engineering, Houston, Texas</i>  |     |
| SITE BALANCING OF A LARGE FLEXIBLE ROTOR CONTAINING UNBALANCE ECCENTRICITY AND PERMANENT RESIDUAL BOW .....   | 23  |
| <i>A. S. Maxwell, Maintenance Specialist, Balancing and Vibration; A. F. P. Sanderson, Maintenance Engineer, Mechanical System Maintenance Division, Ontario Hydro, Toronto, Ontario, Canada</i>                      |     |
| ADVANCED RESEARCH PROGRAMS IN TURBOMACHINERY .....  | 31  |
| <i>Dr. Meherwan P. Boyce, Director; William L. Trevillion, Graduate Research Assistant; Michael L. Brown, Graduate Research Assistant; Gas Turbine Laboratories, Texas A&amp;M University, College Station, Texas</i> |     |
| PROBLEMS ENCOUNTERED IN BOILER FEED PUMP OPERATION .....  | 45  |
| <i>Dr. Elemer Makay, Technical Director, Energy Research &amp; Consultants Corporation, Morrisville, Pennsylvania</i>   |     |
| PULSATIONS IN LIQUID PUMPS AND PIPING SYSTEMS .....   | 55  |
| <i>Cecil R. Sparks, Director, Engineering Physics; J. C. Wachel, Manager, Applied Mechanics; Applied Physics Division, Southwest Research Institute, San Antonio, Texas</i>   |     |
| TURBOMACHINERY NOISE RATING .....   | 63  |
| <i>George M. Diehl, Manager, Sound &amp; Vibration Section, Ingersoll-Rand Company, Phillipsburg, New Jersey</i>  |     |
| RELIABLE OVERSPEED PROTECTION FOR INDUSTRIAL DRIVE TURBINES .....   | 71  |
| <i>Firm L. Weaver, Manager of Engineering, DeLaval Turbine Inc., Trenton, New Jersey</i>  |     |
| INDUSTRIAL STEAM TURBINES IMPROVE ENERGY UTILIZATION IN THERMAL POWER PLANTS .....  | 79  |
| <i>R. Wickl, General Technical Manager, Siemens Corporation, Wesel, Federal Republic of Germany</i>   |     |
| EFFICIENCY IN MECHANICAL DRIVE STEAM TURBINES .....   | 87  |
| <i>John A. Brown, Manager, Advanced Engineering, Steam Turbine Division, Turbodyne Corporation, Wellsville, New York</i>  |     |
| PRACTICAL DESIGN SOLUTIONS FOR MECHANICAL DRIVE STEAM TURBINES .....  | 99  |
| <i>Alfred M. Spechtenhauser, Manager, Calculation Department, Brown Boveri Corporation, Baden, Switzerland</i>  |     |
| COUPLING MISALIGNMENT FORCES .....  | 111 |
| <i>C. B. Gibbons, Project Engineer, Electrical &amp; Fluid Power Division, The Bendix Corporation, Utica, New York</i>  |     |
| METAL DIAPHRAGM COUPLING PERFORMANCE .....  | 117 |
| <i>M. M. Calistrat, Manager, Power Transmission Development Section, Research &amp; Development Department, Metal Products Division, Koppers Company, Inc., Baltimore, Maryland</i>                                   |     |
| AXIAL VIBRATION CHARACTERISTICS OF METAL-FLEXING COUPLINGS .....  | 125 |
| <i>Fred K. Landon, Manager, Coupling Division, Rexnord Inc., Warren, Pennsylvania; Louis F. Counter, Senior Research Manager, Corporate R&amp;D Group, Rexnord Inc., Milwaukee, Wisconsin</i>                         |     |

TUTORIUMS:

|  |     |
|--|-----|
| BALANCING OF MULTIMASS FLEXIBLE ROTORS .....   | 133 |
| <i>Dr. E. J. Gunter, Professor of Mechanical Engineering; L. E. Barrett, Senior Research Engineer;</i> |     |
| <i>Dr. P. E. Allaire, Assistant Professor of Mechanical Engineering; University of Virginia,</i>       |     |
| <i>Charlottesville, Virginia</i>   |     |
| FIELD TESTING OF COMPRESSORS .....   | 149 |
| <i>Dr. Meherwan P. Boyce, Director, Gas Turbine Laboratories, Texas A&amp;M University; Richard D.</i> |     |
| <i>Bayley, Technical Services Superintendent, Columbia Gulf Transmission Company, Houston, Texas;</i>  |     |
| <i>Vankayalapati Sudhakar, Graduate Research Assistant, Gas Turbine Laboratories; Vijayvardhan</i>     |     |
| <i>Elchuri, Graduate Research Assistant, Gas Turbine Laboratories; Texas A&amp;M University,</i>       |     |
| <i>College Station, Texas</i>  |     |
| DISCUSSION LEADERS .....   | 161 |
| ADVISORY COMMITTEE .....   | 167 |
| EXHIBITORS .....   | 171 |
| GAS TURBINE LABORATORIES .....   | 177 |
| PROFESSIONAL PERSONNEL .....   | 180 |
