## *Welcome Back, Aggies!*

Howdy! We hope everyone had a great winter break and want to give a few reminders to returning and new Aggies alike. Here at WCL we provide access to many databases and resources. If you need help on anything from research to finding a book, just stop by the "Ask Us Desk" for assistance. We also provide laptops, headphones, phone chargers, calculators, and more for you to check out. We also have phone charging stations located on each floor of the library for your convenience.

Our facility is a great place for group and individual study. We have group study rooms on the second and third floors, along with Collaboration Stations on the first floor. The entire third floor is a silent area with over 100 computers. We are open all night from Sunday - Thursday; so, don't worry about having a place to go for a late night study session. We've got you covered.

As usual, we have textbooks on reserve at the Ask Us Desk. Stop by and see if we have your textbooks. Here at WCL, we are always ready and willing to help you find the resources you need to be successful. If you have any questions, just ask!

## *Food for Fines*

Have a pesky library fine? Want to pay it off while helping the community? Then look forward to the fourth annual Food for Fines library wide event February 13<sup>th</sup> – 27<sup>th</sup>. The Food for Fines program allows you to reduce your library fine in exchange for non-perishable, unexpired food items such as peanut butter, canned goods, cereal and pasta

(no glass containers will be accepted). For each donation, up to \$1 will be credited to your library account with a maximum of \$50 per person. All food donations will go to a local food bank, such as the 12th Can Food Pantry. Last year the libraries collected 1,194 pounds of food and this year we hope to collect even more. For more information, keep an eye out for our Food for Fines displays and signage, which will be posted soon.
