ATM | LIBRARIES

Welcome Back, Aggies!

Howdy! We hope everyone had a great summer! Here at WCL we provide access to many databases and resources. If you need help on anything from research to finding a book, just stop by the “AskUs Desk” for assistance. We are always ready and willing to help you find the resources you need, so if you have any questions, just ask!

We provide laptops, headphones, phone chargers, calculators, textbooks on reserve and more for you to check out at the “AskUs Desk.” Phone charging stations are located on each floor of the library for your convenience.

Our facility is a great place to study. We have group study rooms on the second and third floors, along with Collaboration Stations on the first floor. The entire third floor is also a silent area with 13 Brody Lounges. We are open all night Sunday – Thursday, so don’t worry about having a place to go for late night studying.

Ch-Ch-Ch-Ch-Changes!

Our services at WCL are ever-changing, and our newsletter is a great way to keep up with the latest information. Starting this semester, all surge protectors will need to be checked out and will have a 1-day loan period (in building use only). We will also now be closing at 9pm on Friday evenings. Stay tuned for more updates throughout the year.

Librarian Spotlight

Have a question about business? Finance? Marketing strategies? There’s a librarian for that! Meet Jared Hoppenfeld, Tom Sullivan, Alyson Vaaler, and Jennifer Wilhelm—our resident WCL librarians ready and waiting to help you with research and business inquiries.

Jared Hoppenfeld is the Director of WCL and PSEL and is responsible for our services, resources, staff, & faculty. He’s also the rep for our Patent & Trademark Resource Center and assists students, faculty, and staff in learning about both.

Tom Sullivan specializes in Finance and Accounting. He is at the ready to help students with their business research, so feel free to email, call, or ask for him at the “AskUs Desk”.

Alyson Vaaler works with students and faculty in Management. She works with entrepreneurship programs across campus to help students develop innovative ideas and products, as well as with teams doing business plan/pitch competitions.

Jennifer Wilhelm is the newest addition to our team, and loves working with students and answering your questions. She specializes in working with Marketing and INFO students.

If you ever have business questions or need help with your company and industry research, don’t hesitate to ask one of our librarians for assistance—we’re here for you!
