

Discussion Group P07 - Improving Mean Time Between Pump Failures

Leaders:

- Bill Litton (Magellan Midstream Partners LP)
- David DePaolis (Flowserve)
- Morg Bruck (HMIC)
- Aaron Burton (Sulzer Pumps Services (US) Inc.)

Suggested Topics:

- Mechanical/Metallurgical design requirements for pump components
- Design and installation for pump baseplates
- Proper hydraulic fit of pumps
- Mechanical alignment targets/procedures
- Pump repair criteria
