AVAILABILITY OPTIONS (check one)

(Immediate Release) Release the ETD immediately for worldwide access on the Internet.

(Document Only Hold - Usually for future publication purposes) Restrict access to the ETD document for two years then release the ETD for worldwide access on the Internet. (Metadata, including abstract, will be available during the embargo period). Please explain below.

(Full Record Hold - Usually for patent considerations) Restrict all access to the ETD for two years and then release the ETD for worldwide access on the Internet. Please explain below.

Reason for requesting a Full Record Hold or Document Only Hold:

After delivery of the results of my study, district administration from the school district that sponsored my work, asked that my dissertation be kept confidential. The potential that the data could be acquired, misinterpreted and used against the district and the participants is a concern.
