Dear Dr. Vatansver,

Thank you for contacting Springer Nature.

Reproduction of figures or tables from any open access article is permitted free of charge and without formal written permission from the publisher or the copyright holder, provided that the figure/table is original and following are included in the acknowledgement section:

- The Copyright license the material is published.
- The publisher's name is duly identified as the original publisher.
- The proper attribution of authorship and the correct citation details are given.

If you have any questions, please do not hesitate to contact us quoting your Ticket ID [#5657322].

With kind regards,

Dear Sir/Madam,

I am a PhD student at Texas A&M University, Department of Chemistry.

I would like to include an image with captions directly copied from the published article `Fate of Antibody-Drug Conjugates in Cancer Cells` in my PhD dissertation. I am not one of the authors of this paper.

Do you allow me to do it? If yes, do you provide a formal permission form for it?

Thanks,

Erol Vatansver
