Subject: Request for using published material in my dissertation

Dear Sir/Madam,

I am a PhD student at Texas A&M University, Department of Chemistry.

I would like to include images and text directly copied from our published article `Bepriidil is potent against SARS-CoV-2 in vitro` in my PhD dissertation.

Do you allow me to do it?

Thanks,
Erol Vatansever
PhD Student
Texas A&M UNiversity, Department of Chemistry
