Re: Request for Schaper Energy Consulting LLC's Final Proposal Revision (FPR) Letter

Dear Authorized Negotiator,

Discussions between the General Services Administration (GSA) and Schaper Energy Consulting LLC regarding Offer # 582153 submitted in response to Solicitation Number 47QSMD-20-R-0001, Multiple Award Schedule Refresh 0009. This is your opportunity to submit a final proposal revision (FPR) letter. Please carefully review the information below and check each box confirming your agreement and understanding with each element as the Government intends to award without obtaining further revisions. Please submit your written Final Proposal Revision, on your letterhead, within 2 calendar days from receipt of this letter. The FPR must be signed by an authorized negotiator.

Please provide your FPR by the close of business, 03/07/2022. GSA intends to make award without obtaining further revisions. Any revisions submitted after the due date will not be considered unless an extension was granted. You are encouraged to complete this standardized FPR format to facilitate processing of your Multiple Award Schedule (MAS) contract award. If your response to any of the following is "No" please contact your Procurement Contracting Officer (PCO) prior to submitting your FPR Response

13. Schaper Energy Consulting LLC confirms the following: Check box for confirmation
Schaper Energy Consulting LLC submitted pricing based on its commercial price list. The Government prices, excluding the required 0.75% IFF, terms and conditions are better than those sold to its most favored customer(s), All Commercial Customers. The MFC(s) do not receive any discounts off Schaper Energy Consulting LLC's commercial price list. Schaper Energy Consulting LLC is offering GSA prices (excluding the required 0.75% IFF) that are discounted 2.01 to 44.38% off Schaper Energy Consulting LLC's commercial price list.
14. Schaper Energy Consulting LLC confirms the following: Check box for confirmation
In accordance with clause 552.238-81 Price Reductions, All Commercial Customers> are the basis of award customers (BOA). GSA prices excluding the required 0.75% IFF are at least 2.00% less than the prices offered/sold to the BOA.
15. Schaper Energy Consulting LLC confirms that any change in the Contractor's commercial pricing or discount arrangements which disturbs the BOA relationship may constitute a price reduction and must be reported to the GSA PCO. Check box for confirmation
16. Schaper Energy Consulting LLC confirms that it possesses an adequate and auditable labor hour recording and invoicing system capable of fully supporting labor hour invoices; therefore, the firm will be approved to accept both Labor-Hour and Firm-Fixed-Price Delivery/Task Orders from authorized agencies under this contract. Check box for confirmation
17. Schaper Energy Consulting LLC confirms that it has an adequate and auditable recording system capable of sales tracking and submission of the IFF and that the IFF

Schaper Energy Consulting LLC

must be set-aside for remittance to GSA on a quarterly basis. Check box for confirmation

18. Schaper Energy Consulting LLC confirms that pursuant to Clause 552.238-80, the Contractor must report the quarterly dollar value of sales under the contract by calendar quarter through the FAS Sales Reporting Portal at <https://srp.fas.gsa.gov>. If no sales occur, the contractor must report zero sales. Check box for confirmation
19. Schaper Energy Consulting LLC confirms that pursuant to Clause C-FSS-370, any contractor travel required in the performance of this contract and orders placed hereunder must comply with the Federal Travel Regulations, and/or Joint Travel Regulations as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all contractor travel. Contractors cannot use GSA city pair contracts. The contractor shall not add the Industrial Funding Fee onto travel costs. Check box for confirmation
20. Schaper Energy Consulting LLC confirms that Licensing Fees, if any, are to be negotiated between the contractor and the individual customer agencies. Check box for confirmation
21. Schaper Energy Consulting LLC confirms that it takes the following exceptions to the terms and conditions of the contract: Check box for confirmation

None
22. Schaper Energy Consulting LLC confirms their understanding of clauses I-FSS-597 GSA ADVANTAGE! ® and I-FSS-600 Contract Price Lists, as these clauses requires all Contractors to submit their Price List for posting in GSA Advantage! ® and keep it current: Check box for confirmation
23. Schaper Energy Consulting LLC confirms their understanding of clause I-FSS-639 Contract Sales Criteria. This clause requires all GSA MAS Contractors to either meet or exceed \$25,000.00 contract sales within the first 24 months following contract award and are required to either meet or exceed \$25,000.00 in contract sales each 12-month period thereafter. The Government may cancel the contract should any MAS contracts not meet this clause: Check box for confirmation
24. Schaper Energy Consulting LLC confirms their understanding that IAW FAR 52.222-54 Employment Verification, all federal contractors are required to be enrolled and maintain their information as current in the E-Verify program, <https://www.e-verify.gov/>, within 30 days of the contract award: Check box for confirmation
25. Schaper Energy Consulting LLC confirms that accepting Mass modifications (MODs) are a requirement as GSA periodically updates the MAS solicitation by publishing a new
