Texas A&M University
Electronic Theses and Dissertations (ETD)
How to Choose an Availability Option

Texas A&M University's Policy

All Texas A&M University Electronic Theses/Dissertations (ETDs) will be made available immediately after graduation worldwide on the Internet via Texas A&M University Libraries. Availability may be delayed temporarily for circumstances such as patent consideration, compliance with research contractual terms, publication issues, etc.

What comprises an ETD record?

An ETD record includes several elements, as noted below:

Metadata – Data which describe the ETD record. These include, but are not limited to, the title, abstract, author, committee, keywords, etc.

Document – The ETD primary document which describes the independent research study that was undertaken to partially fulfill requirements for the degree sought – generally a single PDF file.

Supplemental files – Files which accompany the ETD document, are intended for public access, and provide additional details of the research (e.g., data sets, movie clips, etc.).

License files – Files which describe the license signed by the student author at the time of submission, granting Texas A&M University (or other parties) certain, limited rights for use.

Administrative files – Files provided to the Graduate and Professional School for administrative processing purposes and/or for purposes of being included as part of the graduate student record (e.g., Written Thesis/Dissertation Approval Form, Copyright & Availability Form, etc.). These files are not made available to the public along with the ETD record.

What is a “Full Record Hold,” and when would I choose it?

Any research that would preclude worldwide release for an extended period of time or permanently (e.g., sponsored research, national security, personal risk) to comply with research contractual terms or patent considerations requires the “Full Record Hold.” The ETD record (not including administrative files) will be released immediately two years after the graduation date unless an extension is requested and approved.

What is a “Document Only Hold” and when would I choose it?

If you are submitting material to a publisher who has restrictive pre- or post-publication policies (e.g., restricts Internet access to material prior to publication), select the “Document Only Hold.” The ETD metadata will be made available for open access immediately following graduation via the Texas A&M University Libraries and ProQuest (for dissertations), but the document and supplemental files will be restricted during the embargo period. The ETD document and supplemental files will be released immediately after two years unless an extension is requested and approved.

How do I extend a hold?

A hold may be extended for up to two years (for the first extension) and then one year at a time for any additional extensions. The request must be made prior to expiration and appropriate justification must be included. Each request for extension will be reviewed on a case-by-case basis.

Graduate students and faculty (as research sponsors) bear responsibility for requesting extensions. A timely request is important in order to extend any hold periods. Please complete and submit the “Request for Extension of Thesis/Dissertation Hold” form found at grad.tamu.edu.

For additional questions or concerns regarding availability options, please contact Thesis & Dissertation Services at thesis@tamu.edu or 979-845-3631.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, The Texas A&M University System (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
