1. ABSTRACT - delete 'Applied Mathematical Sciences' after your B.S. - the only
    information wanted here is your degree and the name of the University

2. p. 53   Add   6.4 Assess to TABLE OF CONTENTS

3. p. 56, line 1. 'The conclusions . . . presented in this chapter.' Use the word
    'section' instead of chapter since you are not using the chapter method.

4. p. 58 Reference [3]. Use lower case 'a' for 'accident' and lower case
    'd' for 'databases'

5. VITA   para 1   ....University and received her master's degree in August 2008.
