  Additional Notes: 6/23-3rd meeting model was
TITLE PAGE AND APPROVAL PAGE

1. Remove the page numbers from pages i and ii. The abstract will still begin with p. iii.
3. p. i and p. ii – Double space the dissertation title and remove the italics from the title. Remove the comma before and.
4. The chair of the department is Vincent Cassone. Call the Thesis Office if you disagree.

ABSTRACT

1. p. iii Remove the italics from the dissertation title, and remove the comma before and.
2. p. iii, line 7 – Add a hyphen to match your title – hyper-responsive.
3. On page 1 you do not indent, so do not indent the abstract first paragraph.

TABLE OF CONTENTS

Move heading up closer to top margin (whole page may be spaced up)
1. p.iv and p. 9 Match Chapter II titles word for word. Also All caps for SHL
2. Experimental procedures is on p. 25, not p. 23.
3. p. iv and p. 28 All caps for SHL
4. p. 54 and p. 55 You need a first level heading before you begin with second levels. Either add a first level and add it to the T. of Contents, or you may change the present 3 second level subheadings (i.e. mutant screen...) to all first levels and add them to the T. of Contents.

TEXT

1. p. 1 Journal Model Sentence – (1) Remove the spaces between the footnote line and the sentence. (2) Add a period at the end of the sentence. (3) Change the title to The Plant Journal.
2. p. 2 line 1, do not indent this sentence
3. p. 25 Move SALK lines to the top of page 26. A subheading may not be the last line on a page.

4. Page 29 must have, at least, 4 1/2 inches of text. Move lines from page 28 and/or page 31.

5. p. 38 Raise text to the top of the page.

6. p. 48 need consistent spacing before first level subheadings, see pp. 10, 28

7. p. 52 Subheading – Lowercase fusion

LIST OF FIGURES

1. Titles that appear on the list must match the titles under the figures word for word. You may stop a title on the list at a period only. Match the following figures: Figs. 2.1, 3.2, 3.3, 3.6, and 3.7.

2. p. v – Fig. 2.2 will match p.15 if you stop at the word lines and remove the remaining words.

3. p. v. – Fig. 3.1 Same correction as #2 – stop at $hl7$...

4. p. v – Fig.3.5 Same correction as #2 – stop at $hl7$...

5. Check that you end each figure title with a period, for consistency.

LIST OF TABLES

1. Match your table titles word for word.

2. Decide to end with a period or not. Table 2.1 does not end with a period. Table 3.1 does end with a period.

REFERENCES

1. Add and between all entries with only two authors to match your journal’s style.

2. Chen and Ni – Lowercase journal article title. Correct also for Dieterle et al.,

3. Chory et al., Make one 1989a and the other one 1989b and make the changes in the text.

4. Hardtke... – Lowercase beyond

6. McBride... Complete for retrieval

7. Move Parks, Folta and Spalding before Parks Hoecker and Spalding. Make the first one 2001a and the second one 2001b and make the changes in the text.

8. Parks and Quail – Lowercase journal article title. Correct also in Wong-Riley et al. (use same font and style for all entries)
9. Need consistent capitalization in journal articles (lower case for titles)
10. Tepperman et al., Should the A be capitalized?
   Change to 8, (4), 172-178.
13. p. 2 Quail, 2002 – Not found in the references.
14. p. 2 Liscum et al., 2003 – Not in ref. Did you mean Liscum and Briggs?
15. p. 2 Lin et al., 1998 - Not found in the references.
16. p. 2 Cashmore et al., 1999 - Not found in the references.
17. Throughout the text remove the italics from et al. – Use the search mode to help
   find them all.
18. All references mentioned in the text must be found in the REFERENCES. This
   part of the review has been suspended. The Thesis Office will review this again
   when revised.
19. p. 53 Benfey et al., 1990 – Did you mean Benfey and Chua?
   it to the text or remove it from the Ref.
   to the text or remove it from the Ref.
22. All entries in the reference section must be found in the text. I reviewed only p.
   57, but on that basis, we request you check to be sure all references are in the text
   or removed. We will review this part again when resubmitted.
